PIROTS 4

CollectR™

SPACE STATION

Bombs expand the grid size and allow the birds to move inside the space station, collecting up to 2 feature symbols per section.

ALIEN INVASION

The Space Bandit collects symbols and initiate space duels with the birds. Winning space duels increase the Bandits multiplier.

BLACK HOLE

The black hole absorbs all symbols and birds, and returns them into random positions. The black hole can remove up to 3 birds.

Three bonus symbols collected by the birds trigger the free drops bonus game. If one of the bonus symbols is a super bonus symbol, the super bonus game is triggered. The grid size, progress on the collection meter and gem upgrades are all persistent during the bonus game.
